

**NOTICE TO MEMBERS
INTRODUCTION OF THE NEW POWERGOLF PLUS SYSTEM**

Dear Members,

We have now changed to the POWERGOLF PLUS system for all our golf and administration functions. This necessarily requires some changes from the procedures you are used to.

1. TIME SHEET ENTRY

As from Wednesday 21 October you will be able to enter your names through the two kiosks located in the members' demountable. However the format has a slightly different look. Instead of Course 1 and Course 2 being displayed on separate pages, all tee times are displayed in time order. Enter your names for the TIME and COURSE of your choice. The time sheet will appear as in the example below:

TIME	COURSE	TEE	KEY	PLAYER 1	PLAYER 2	PLAYER 3	PLAYER 4
6.40	BRUSH	1	COURSE 1				
6.40	XMAS	1	COURSE 2				
6.47	XMAS	1	COURSE 2				
6.47	BRUSH	1	COURSE 1				

The above example is for the men's competitions. Tuesday Ladies will have the choice of two tees. Thursday, Friday and Sunday competitions will have one course only.

TIMESHEETS WILL BE AVAILABLE at the kiosks from 6.00 am 7 days prior and online from 7.00 pm on the same day.

2. SCORE ENTRY USING THE NEW CARDS WILL COMMENCE THIS WEDNESDAY 21 OCTOBER.

- Record your strokes on the card as normal.
- IN ADDITION, mark an "X" on the relevant stroke and hole number on the left hand side.
- The STROKES AS WRITTEN ARE THE OFFICIAL SCORE for which you are signing.

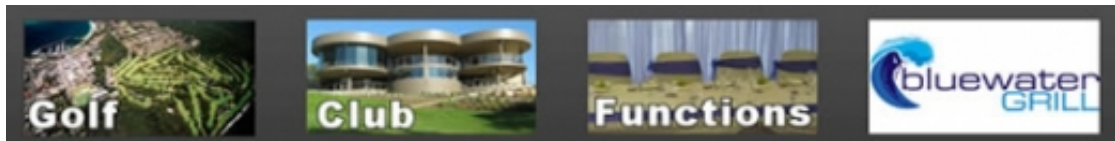

- Enter your scores through the kiosk by scanning your card through the scanner
- The scanner will reject your card if it is unsigned by player or marker, or contains any errors.
- In such cases you can manually edit via the screen or by editing the card.
- In the case of any problems please consult the Match Committee member on duty. A Micropower representative will also be present to assist this Wednesday.

The Instruction Sheet will be distributed to all members and will be displayed on the club's website ([Click Here to View](#)).

NB LADIES: To simplify this process the competition THIS THURSDAY 22 OCT will be an Individual Stableford. The competition on TUESDAY 27 Oct will be PAR.

Peter Power
Captain

Dave Flatt
Chairman, Match Committee
