Any player who enters the competition does so knowing that the competition will be abandoned if the course becomes unplayable or if there are insufficient starters to form a competition. If the course becomes unplayable during the play of major events the event will be rescheduled where possible.

Due to the large number of cancellations when wet conditions prevail, players in the latter half of the draw who wish to play must report to the starter half an hour before their scheduled hit off time.

In the event of withdrawal after commencement of a round due to illness, injury, bad weather or of a situation of reasonable significance, it is the responsibility of the player or playing partners to notify the Match Desk personnel the reason for withdrawal. It will be the decision of the Match Desk personnel to give an

NCR Approved at the conclusion of the competition. If using the *MiScore* App request your card to be printed by the Pro Shop noting your reason and place in the box.
